## **IDOT: Lane Closures on IL RT 173 at Tiffany Road in Antioch Township to Begin March 26**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that weather permitting, an intersection reconstruction project on IL Route 173 and Tiffany Road in Antioch Township, will begin Wednesday, March 26, 2014.

Traffic lanes will be shifted and may be reduced to one lane with flagging operations. Most work will be performed off of the road. The anticipated completion date for this project is August 8, 2014.

Motorists can expect delays during times when the lane closures are in effect and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signing in the work zones, obey the posted speed limits, and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at [www.dot.state.il.us](http://www.dot.state.il.us). Updates on the impacts to traffic are available at [www.travelmidwest.com](http://www.travelmidwest.com).
